CONTENTS

NUMBER 2, APRIL 1965

Investigation of the Character of Some of the Jumps in Activation Energy of Viscous Flow in Pure Liquids and Solutions. Part I.—Some Measurements of Small Thermal Intervals on (a) Dilute Aqueous Alcohol (11%) (b) Pure Water.....M. M. QURASHI AND TAYEB M. QURESHI 1

Comparative Measurements of the Temperature Derivatives of Viscosity, Density and Refractive Index of Pure Liquids and Solutions. Part II.—Dilatometric, Refractive Index and Flow Activation Energy Measurements on Benzene at Intervals of 1°C to 2°C in the Range of 10°C to 50°C.....A. K. M. AHSANULLAH, TAYEB M. QURESHI AND M. M. QURASHI 11

Studies in the Alkaloids of *Rauwolfia caffra* Sonder. Part I.—Isolation of Ajmalicine, Ajmaline, Raucaffrine and Three New Alkaloids, Raucaffricine, Raucaffriline and Raucaffridine.....NURUL HAQ KHAN, MOHAMMAD ATAULLAH KHAN AND SALIMUZZAMAN SIDDIQUI 23

Studies on "Silajit" (Asphalt). Part I.—Composition of the Mineral and Proteinous Matter.....NAEEM SHAKIR, M. SALIM, M. K. BHATTY AND KARIMULLAH 28

Preparation of Linseed Fatty Acids-Betulinol Esters and their Evaluation as Protective Coating Vehicles.....M. ASLAM, KHURSHID ALAM AND SALIM AKHTAR 31

A Moulding Composition from Vegetable-Tanned Leather Scrap.....M. YAQOOB RAIE, M. SALIM, M. K. BHATTY AND KARIMULLAH 36

Preparation and Biochemical Assay of Pharmaceutical Enzymes from Pancreas (A Slaughter House Waste).....MOHAMMAD YASIN, ABDUL HAMEED KHAN, M. Y. QURESHI AND KARIMULLAH 40

Biochemical and Nutritional Studies on East Pakistan Rice and Rice Products. Part III.—Differential Titratable Acidity and Auto-esterase Activity of Raw and Parboiled Rice and Effect on their Storage.....H. N. DE AND J. C. DEBNATH 43

Pectic Enzyme of *Penicillium frequentans* Involved in the Retting of Jute.....M. MYSER ALI AND M. AMIRUL ISLAM 47

The Study of the Alimentary Tract of *Schistocerca gregaria* (Forskal) (Orthoptera: Acrididae).....SALEEM AKHTAR AND SHAHID H. ASHRAFI 52

Comparative Study of the Zoeae of the Sand Crabs, *Philyra corallicola* (Alcock), *Philyra globosa* (Fabricius) and Description of First Zoea of *Leucosia pubescens* (Miers) (Decapoda: Crustacea).....MOHAMMAD TUFAIL AND SYED SALAHUDDIN HASHMI 60

Short Communications:

Effect of Gibberellic Acid on Growth and Alkaloids in *Hyoscyamus muticus* Linn.....ARIF J. AHMAD AND NASEER A. MALIK 65

Non-Specific Inhibition of the Rat Uterus by Heparin.....SARFRAZ SIDDIQI 66

Studies on Shark Liver Oil. Part III.—Use of Alcohol for the Preparation of Vitamin "A" Concentrate from the Oils of High Acidity.....S. MAQSOOD ALI, S. ABDUL HAQ AND A. HAMEED KHAN 68

Extraction of Uranyl Salts by Thenoyltrifluoroacetone in Carbon Tetrachloride.....M. A. AWWAL 70

NUMBER 3, JULY 1965

Studies in the Conversion of Chaksine into its Isomers.....
.....SALIMUZZAMAN SIDDIQUI AND (MRS.) MASHOODA HASAN 73
Chemical Composition of *Adhatoda vasica*.....
.....M. IKRAM, M. EHSANUL HUQ, S. A. WARSI AND VIQAR-UDDIN AHMAD 76
Chemical Constituents of *Euphorbia royleana* Boiss I.....MUHAMMAD NAZIR, NAEEMUDDIN, IFTIKHAR AHMAD, S. A. KHAN, M. K. BHATTY AND KARIMULLAH 80
Studies on Carboxymethylcellulose. Part I.—Preparation of a Nontoxic Emulsifying Agent from Jute Cellulose.....M. H. KHUNDKAR AND A. K. BHATTACHARJEE 84
Studies on Carboxymethylcellulose. Part II.—Use of Organic Alcohols as Reaction Medium for Carboxymethylation.....
.....M. H. KHUNDKAR, A. K. BHATTACHARJEE AND M. MOSIHUZZAMAN 89
UV Spectrophotometric Determination of Submicro Quantities of Serpentine in Serpajmaline.....R. A. SHAH AND (MRS.) NARGIS HUSSAIN 95
Buffer Action of Saponins. Part I.—Analytical Studies.....
.....M. ARSHAD A. BEG AND AMIN R. SHAIKH 99
Comparative Measurements of the Temperature Derivatives of Viscosity, Density and Refractive Index of Pure Liquids and Solutions. Part III.—Preliminary Investigation of the Temperature Derivative of Refractive Index of Dilute Aqueous Alcohol.....
.....(MRS.) Z. HAIDER AND M. M. QURASHI 103
Studies on Reaction of Resins with Drying Oils. Part I.—Influence of Catalysts on the Reaction between Linseed Oil and Ester Gum.....
.....M. ASLAM, S. ALI HUSSAIN AND S. A. A. CHISHTI 109
Genetic Variation and its Influence on Protection by L-Cysteine against Gamma Radiation
.....NOORUL HASAN MAHMOOD, S. M. IFZAL AND FAKHRUL ISLAM 112
Amino Acid Composition of Proteins of "Char Maghaz" (*Cucurbitaceae* Seeds).....
.....SAJJAD HUSSAIN, MUHAMMAD ARSHAD AND KARIMULLAH 118
Biochemical and Nutritional Studies on East Pakistan Vegetables. Part II.—Distribution of Protein and Non-Protein Nitrogen in Different Parts of Vegetables.....
.....H. N. DE, EMDADUL HAQUE BHUIYA AND J. C. DEBNATH 122
Studies on the Preservation of Chapaties.....
.....MUHAMMAD YASIN, ABDUL HAMID KHAN AND KARIMULLAH 126
Studies on Some of the Chemical Characteristics of Hashtnagri Wool Fibres and their Interrelationship with Fineness.....ARJAMAND KHAN AND MUZAFFARUL HAQ 130
Studies on the Characteristics of Harnai Wool and its Standardisation for Carpet Manufacture
.....MUMTAZ AHMAD KHAN AND ARBAB ABDUL WAKIL 133
Studies on the Reduction of Barytes with Charcoal.....S. M. ALI AND SHAUKAT AZIZ 136

Short Communications:

Osmic Acid as a Colorimetric Reagent for the Determination of Ascorbic Acid.....
.....ABDUL MAJID NADIM AND MAHMOOD-UL-HASSAN 141
Determination of Antimony in the Presence of Bismuth.....S. S. M. A. KHORASANI 142
Studies on the Tensile Characteristics of Bibrik Wool.....
.....A. A. WAKIL, FAIZULLAH KHAN, TAJ ALI WAZIR AND MIAN TAJ YOUNIS 144
Preparation and Biological Evaluation of a Protein Isolate from Commercial Oil-Seed Cakes....S. MAQSOOD ALI, IFTIKHAR ALI SHEIKH, M. ARSHAD AND M. ASLAM 147
A Novel Rearrangement Reaction.....ASLAM BUTT AND I. A. AKHTAR 149
A Note on the Nature of Bonding in Leather.....M. ARSHAD A. BEG 150
Scope for Growing Autumn Potatoes under Ordinary Conditions in the Peshawar Valley.....MUHAMMAD IBRAHIM BAJWA 151
Book Notices..... 155

Chemical Examination of Root Bark of *Alangium lamarckii* Thawites.....
.....SALIMUZZAMAN SIDDIQUI, M. AMJAD ALI AND VIQAR-UDDIN AHMAD 161
Studies in the Structure of Marckine.....
.....VIQAR-UDDIN AHMAD, M. AMJAD ALI AND SALIMUZZAMAN SIDDIQUI 166
Studies on *Delphinium denudatum* Wall.—Examination of the Petroleum Ether Extractive of the Roots.....A. WADOOD QURESHI AND A. M. AHSAN 173
Comparative Measurements of the Temperature Derivatives of Viscosity, Density and Refractive Index of Pure Liquids and Solutions. Part IV.—The Coefficient of Dilatation and its First Derivative for 9% and 14% Aqueous Ethyl Alcohol Solution
.....TAYEB M. QURESHI, S. WAJAHAT ALI AND M. M. QURASHI 176
Temperature Dependence of the Intermolecular Activation Energy for Flow in Liquids and Solutions. Part VII.—Investigation of Steps in the Activation Energy for Some Light Aliphatic Hydrocarbons (C=6 up to C=12).....
.....TAYEB M. QURESHI, S. A. BARI AND M. M. QURASHI 183
A Study on 'Static' Fluidization.....SHABBIR AHMED QURESHI AND SALIM REZA 198
Extraction of Stibnite with Sodium Sulphide Solutions.....A. L. BHUIYAN 205
Colorimetric Determination of Micro-Amounts of Silver with Potassium Ferrocyanide and α,α'-Dipyridyl.....S. M. ALI AND MOHAMMAD AJMAL KHAN 211
Effect of Different Levels of Protein and Calcium on Growth, Efficiency of Food and Protein Utilization and Body Composition of Rats.....
.....S. MAQSOOD ALI, A. RAUF AZIZ AND NAZAR MUHAMMAD 214
Notes on the Life History and Habit of the Greenish Spider Mite, *Porcupinychus abutiloni* G. Nov., Sp. Nov., (Acarina : Tetranychidae).....
.....M. ANWARULLAH, TASNEEM AKHTAR AND M. IRSHAD 218
The Role of Mitochondria in the Oocytes of *Macacus rhesus* and *Canis familiaris*.....
.....H. K. YOSUFZAI 221
Male Sterility and Pollen Size in the Genus *Mentha* (Mint)..... S. R. BAQUAR 226
Utilization of 'Balcrete' Foaming Agent. Part IV.—Production of Lightweight Cellular Plaster Boards.....S. TEHZIBUL HASAN, M. ASLAM AND HASAN IMAM 230
Low-Lead Boro-Silicate Glazes for Artware....MAHMUD AHMAD QAZI AND F. A. FAKUQI 233
Studies on the Utilization of "Spent" Oxide.....
..... S. M. ALI, MOHAMMAD YOUNIS AND BASHIR AHMAD 239
Mineralogy of Alluvial Sand of the Kabul River Near Charsadda.....
.....S. MANSOOR AKHTAR AND FAZAL AHMAD SIDDIQI 245

Short Communications :

Investigations on Faridpur Peat. Part II.—Fraction and Infra-Red Studies of Peat Bitumen.....M. QUDRAT-I-KHUDA, S. A. SAMAD AND A. RASHID 249
Studies on *Fagonia cretica* Linn.....
.....M. EHSANUL HUQ, WASIF HUSSAIN, M. IKRAM AND S. A. WARSI 250
Selective Oxidation of Steroidal Alcohol by Dimethyl Sulphoxide.....M. A. SAEED 253
The Reaction Between 3α,5α-Cyclocholestan-6β-chloride and Dimethyl Sulphoxide
.....M. A. SAEED 254
Investigation on an Unknown Growth Factor in Cow Milk.....H. N. DE 255
Determination of the Baking Value of Certain Indigenous Wheats by Physical Methods
.....MUHAMMAD HANIF, A. S. ALVI AND S. MAQSOOD ALI 258
Vitamin C Contents of Wild Rose Hips of West Pakistan.....
.....AHMAD IFTIKHAR AJMAL, MUSHTAQ AHMAD CHATTHA, M. ILYAS QURESHI, M. K. BHATTY AND KARIMULLAH 261
Studies on the Tensile Characteristics of the Waziri Wool.....
.....M. IQBAL KHATTAK, TAJ ALI WAZIR AND MIAN TAJ YOUNIS 264
On Helminth Parasites of Venomous Snakes of West Pakistan.....
.....MARYAM SALEH AND ZAHIR AHMED 266
Transistorized Free-Running Multivibrator.....
.....MANSOOR AHMAD AND ABDUL RAUF ANWAR 268
Book Notices..... 270
